K·energy Steel Boilers

Three-Pass exhaust system with cylindrical combustion room

10
years
warranty

Benefits

- Highly efficient
- Silent mode, due to strong insulation
- Environmental protection thanks to perfect combustion
- Easy installation in the boiler room
- Simple burner installation
- Easy operation and control from the panel
- Easy exhaust system connection, due to front and rear door opening
- Easy cleaning, due to front and rear door opening
- Long service life

A

CE

Technical Characteristics

Available with control Panel *, which includes:

- On-off switch • Thermometer
- Burner and circulator thermostat • Safety thermostat

• Boilers up to 1,000,000 kcal available on demand. • K-energy steel boilers are delivered separated after arrangement.

* The control panel is charged separately.

The company

K. TZANOS SA was established in 1982 and it is a well-established trading company specialised in the field of plumbing, heating, natural gas, and green energy, maintaining long-term partnerships with well-known European and International houses. K. TZANOS SA is operating under the umbrella of TZANOS Group of companies, while owns since 1997 ISOPIPE SA, a factory specialising in the production of insulation material ISOPIPE and TORRENT cast iron condensing boilers. In 2008, TZANOS SA created the H-IT brand aiming at manufacturing high quality-products at affordable prices, for water supply and heating systems.

All products represented by TZANOS Group of Companies are CE certified.
