Efficiency up to **107%**

Power Adjustment 1:5

## Wall-Mounted Condensing Boiler

Made in Italy

- For **heating** and **domestic hot water** (DHW), from 20kW up to 30kW
- **High quality manufacturing**
- Low emission of nitrogen oxides, NOx 6 class
- **Stainless steel** heat exchanger
- **Inverter** technology circulator
- Power Adjustment 1:5
- **High efficiency** according to European directives
- **Reduced fuel consumption** - natural gas or LPG
- Auto-diagnosis, Blocking Position & Failure Record Display
- **Easy to use** and **maintain**
- **Modern design**

**12.000 Gauss**

\*When purchasing and installing the Savio magnetic filter.
